The house presents very well having had some recent refurbishments including renovations to the kitchen, bathrooms and laundry, repainting and new floor coverings. It's naturally light, bright and airy with good breezes for natural cooling and ventilation.

For the artist, practitioner or home business operator the converted double garage is separate from the house with its own entry, is also equipped with a sink and plenty of power points lending itself to multiple uses.

Ideally located a mere 4 minutes from Montville, 6 minutes from local shopping facilities in Mapleton, or 15 minutes from Nambour for all of the amenities, you could be forgiven for feeling that you are much more removed from the rat race in this picturesque setting. The Sunshine Coast Airport is an easy 25 minutes away as are a wide choice of some of the Sunshine Coast's best surf beaches.

There is plenty of water, wonderful rich volcanic soil, a slightly cooler and wetter temperate climate that the Hinterland enjoys, plus multiple shade houses, sheds and hours of enjoyment for the garden enthusiast. The property has a pumping easement to the community lake on the neighbouring property to ensure your gardens continue to thrive in drier times.

Make sure you allow plenty of time to have a good look around and enjoy the gardens. We will be holding open homes but if you prefer a private inspection please call to make an appointment.
