community, a slower pace, a friendlier and welcoming place to call home. Why Palmwoods? Because we embrace balance, home, family, growing your own in your garden, active lifestyle, where we put down roots and know our neighbour's first names.

So central to everything; we love to shoot up the range for a coffee in Montville, buzz down to the Coast for a walk and a swim and still be so central to the Highway, railway, local shopping, medical amenities, airport and infrastructure all within 30 minutes; without surrendering our whisper quiet sanctuary! Well kind of – if you don't count the kookaburras, whip birds and honey eaters. Where the swimming pool, tennis club and eateries are so close we question whether to jump in the car or walk. Oh, and don't forget our local train station if you're a longer distance traveller or commuter.

For those who love fitness we have a wide choice of walking and cycling options, a local aquatic centre, tennis and cricket clubs as well as yoga and pilates classes. Our more recent claim to fame are the large number of very diverse dining options, we've become quite the foodie hub.

Are we biased? Yep, Palmwoods is our home, have you started packing yet? We are waiting to make you feel welcome.
