## Character home on 1290m2 Corner Block

Talk about personality! The original cottage here used to house the local radio station, a full renovation including a huge covered entertaining deck completely transformed the house with the use of an eclectic mix of building materials featuring the use of Colorbond sheeting and natural timbers. Set back from the road for privacy, the owners have lovingly cultivated the large 1290m2 corner block turning it into a low maintenance and private pocket of rainforest with its own cool and peaceful micro climate.

- Integrated design featuring high ceilings and polished hardwood floors
- Combined formal lounge and dining room with direct deck and pool access
- Central kitchen with plenty of bench and storage space
- Wide stacker doors open the deck, kitchen and family room to one zone
- Huge south facing entertaining deck with a relaxing rainforest
